

Academy Guide (OKA)

Dates & Timings

We are delighted to announce the upcoming OKA Debut Program, scheduled to commence in early February 2024 and span a duration of 4 weeks. To ensure a well-structured and effective learning experience, this program will consist of weekly classes, with one class per week dedicated to each level mentioned below. Each class is designed to last approximately 2 hours. During this time, our dedicated instructors will cover all the course outlines, ensuring that you acquire a solid understanding of the subject matter.

BirelArt Kart N32

The Birel Art N32 kart category is designed for kids aged 8 to 12 years old, offering foundational karting lessons aimed improving the driving abilities of youngsters.
